CSUSB Education Abroad

Credit Transfer Agreement Form

This form is for CSUSB study abroad students who will complete coursework at an approved partner institution. Use this form to:

- Document the class(es) that you intend to take while abroad
- File a course substitution plan to receive credit at CSUSB

First, complete Steps 1-2 to the best of your ability.

Then, in Step 3, review this form with the applicable person(s) indicated in the chart below. Note that in some cases a single course will require that you meet with multiple reviewers. Some reviewers may request to see copies of course descriptions or syllabi from your host institution. If a reviewer asks you to modify your Academic Plan before they will give their approval, do so before submitting this form to the Education Abroad Office.

Reviewer	Situation in Which to Meet/Correspond for Review of Academic Plan					
Director of	Meet with the CSUSB Director of Undergraduate Advising & Academic					
Undergraduate Advising	Services (Eduardo Mendoza) to approve general GE category substitutions.					
Chair of the Department	Meet with the Chair of the CSUSB department in which the course you want					
where a course is listed	credit for is listed any time you are seeking credit for a <u>specific</u> CSUSB course.					
Chair of	Meet with the Chair of your home department at CSUSB any time you are					
Your Department	seeking credit for a major or minor requirement.					
Program Coordinator	Meet with your Program Coordinator any time you are seeking credit for a					
Program Coordinator	graduate program, or certificate or concentration requirement.					
School Certifying Officer	Meet with the School Certifying Officer at the Veterans Success Center if you					
School Certifying Officer	plan to use veterans benefits to finance your study abroad participation.					

Finally, submit this form as part of your study abroad program application at goabroad.csusb.edu. The Education Abroad Office will then collect signatures from designated reviewers. Final approval is at the discretion of the Office of the Registrar, which also processes course substitutions upon your return, once in receipt of an official transcript from the host institution. Please note that processing can take up to six months; for students who study abroad in their final semester, this can delay degree issuance. **Questions? Contact goabroad@csusb.edu.**

STEP 1: PERSONAL INFORMATION

Enter your personal information and details regarding your study abroad program.

Student Name	
Coyote ID	
Major(s)	
Minor, Concentration, Certificate (if applicable)	
Study Abroad Term(s) & Year(s)	
Study Abroad Country	
Study Ahroad Host University / Program	

STEP 2A: ACADEMIC PLAN (Term 1)

Enter essential information about the course(s) that you may take during your time abroad. You are encouraged to list more classes than you intend to take, so that you have back-up classes pre-approved in case your preferred course(s) are not available. If you will study abroad for a second term or session, list only first term/session courses here. List the second term courses separately in Step 2B.

Follow these instructions:

- Host Institution Course | List the course number & title (for example, "CUAN101 Introduction to
 Anthropology") for each host institution course you plan to take during TERM 1 of your study abroad program.
 To find course options, visit the "academics" tab of your program brochure at goabroad.csusb.edu.
- **Units** | List the number of units you will earn for the course <u>at the host institution</u> (units are calculated differently in each country; conversion to US units will be completed by CSUSB)
- Backup | Mark "X" if you only intend to take the course if your first choice are unavailable.
- Credit Transfer Category | Check the relevant box(es) to indicate your intention to use each course to fulfill a
 General Education requirement (note, you may not use study abroad to fulfill G, DI, or WI), a program
 requirement, or a minor or certificate requirement. If none, select "Elective."
- CSUSB Substitution | If you are seeking credit for a specific CSUSB course, list that course here. This course should be similar in content/scope to that of the host institution. If you are seeking credit for a GE category only, list the GE category. If you are seeking credit for your major, minor, certificate, concentration, or program, but there is no exact CSUSB course equivalent, list the category of course you are seeking credit for (eg, "methods requirement"). If seeking elective credit only, leave blank.

STEP 2B: ACADEMIC PLAN (Term 2)

Enter essential information about the course(s) that you may take during your second term or session abroad, if you will study abroad for more than one term or session. You are encouraged to list more classes than you intend to take, so that you have back-up classes pre-approved in case your preferred course(s) are not available. If your program is one term or session only, leave Step 2B blank.

Follow these instructions:

STEP 3: ACADEMIC PLAN REVIEW

Meet or correspond with the appropriate individual(s) listed below to review your Academic Plan:

- Director of Undergraduate Advising if you are seeking category credit for a GE requirement.
- Chair of the Department where course is listed, if you are seeking credit for a specific course.
- Chair of Your Department if you are seeking credit for a major or minor requirement.
- Program Coordinator if you are seeking credit for a certificate, concentration, or graduate program.
- Program Director for Honors College and EOP for students who require academic plan approval.
- School Certifying Officer if you are planning to use veteran's benefits to finance your program.

If you have access to course descriptions, syllabi, or sample assignments for any of the classes listed in Step 2, provide them to the relevant person(s) listed above when you contact them / meet with them. You will also be asked to submit these documents to the Education Abroad Office along with this form.

List the individuals with whom you reviewed the Academic Plan outlined in Step 2. Note that the Education Abroad Office will contact all relevant reviewers to confirm their approval of your Academic Plan before it is sent to the Office of the Registrar for final review, approval, and filing.

Name	Department	Email Address	

If you are seeking elective credit only, and you will not use veterans benefits, skip this step.

Check this box if you have not been able to meet with the appropriate reviewer(s) before submitting this form. In this case, meet with the appropriate reviewer(s) as soon as possible. Then, submit your revised Credit Transfer Agreement Form to goabroad@csusb.edu.

Frequently Asked Questions

How do I find courses offered at the host institution? | Navigate to the "academics" tab of the electronic brochure for your program at goabroad.csusb.edu. You will find a link to a catalog of classes, list of classes, or course schedule for the host institution. Search for courses that are typically taught in the same term that you will be attending and that are taught in a language in which you are comfortable learning. You may have to search multiple departments separately. Be aware that some courses may be closed to exchange students, there may be required courses for all exchange students, and not all partner institutions will have courses available in every academic field.

Are courses that I take abroad eligible for grade forgiveness? | No.

I have more courses to list in Step 2 than there are available lines. What should I do? | Replicate the table on a separate sheet of paper and attach it.

Should I list electives within my major as "elective" classes? | No. List them as courses for your major.

Will my disability accommodation be honored overseas? | Non-US institutions may not be mandated to provide disability accommodation. For more information, visit Services for students with Disabilities.

What if I end up taking different classes than those listed? | If you end up registering for any course not listed on this form, email the appropriate reviewer(s) to discuss adjustments to your Academic Plan and ask any questions you have about substitution options. Once your transfer credit appears in PAWS, ask the appropriate reviewer(s) to request a course substitution through the standard "EFA" (exceptions from the audit) process.
