## Major Academic Plan for B.A.

*"But in the modern world, you learn not only your own culture, but also others, and music is an important way of defining your own culture, and also of apprehending the culture of another society... As scholars, a balance of the insider's and outsider's perspectives give us the most balanced picture of the world's musics."*

**UCLA** Study Abroad

### HOW TO STUDY ABROAD

#### RESEARCH

Review your remaining UCLA degree requirements (GE, pre-major, major, minor, foreign language, & upper division units).

#### IDENTIFY

Find UCEAP courses and identify options that are comparable to your degree requirements. They do not have to be an exact match.

#### DISCUSS

If you have questions, meet the advisors at the International Education Office to review program details and locate syllabi.

#### PETITION

Meet with Ethnomusicology Advisor to learn how to apply study abroad coursework toward your degree requirements.

- \* Pre-approvals *are* provided by the Herb Alpert School of Music. Therefore, you *will* know before your program starts whether you will be receiving major credit.
- \* All UCEAP courses count toward upper division units; therefore, even if your department denies your petition, you *will* still make progress toward your degree.
- \* Study abroad is possible as soon as the summer after your first year through the Fall after your senior year. If going after senior year, meet your major advisor to adjust your graduation term.
